

Bureau of Land Management, Interior

§ 1824.3

showing must be filed in the office which rejected the proof.

§ 1823.5 Conduct of officers.

§ 1823.5-1 Prohibited activities.

No officer authorized to take final proofs shall, directly or indirectly, either as agent, attorney, or otherwise, in any manner or by any means cause, aid, encourage, induce, or assist any person wrongfully or illegally to acquire, or attempt to acquire, any title to, interest in, use of, or control over any public lands belonging to the United States.

Subpart 1824—Publication and Posting of Notices

AUTHORITY: 20 Stat. 472; 43 U.S.C. 251.

SOURCE: 35 FR 9521, June 13, 1970, unless otherwise noted.

§ 1824.0-1 Purpose.

The object of the law requiring publication of notices of intended final proof on entries of public lands is to bring to the knowledge and attention of all persons who are or who might be interested in the lands described therein or who have information concerning the illegality or invalidity of the asserted claims thereto, the fact that it is proposed to establish and perfect such claims, to the end that they may interpose any objection they may have, or communicate information possessed by them to the officers of the Bureau of Land Management.

§ 1824.1 Selection of newspaper.

§ 1824.1-1 Qualifications of newspaper.

(a) A notice of intended final proof must be published in a newspaper of established character and of general circulation in the vicinity of the land affected thereby, such paper having a fixed and well-known place of publication. No newspaper shall be deemed a qualified medium of notice unless it shall have been continuously published during an unbroken period of 6 months immediately preceding the publication of the notice, nor unless it shall have applied for and been granted the privilege of transportation in and by the United States mails at the rate pro-

vided by law for second-class matter (39 CFR part 132).

§ 1824.1-2 Discretionary authority of authorized officer; limitations.

(a) The law invests authorized officers with discretion in the selection of newspapers to be the media of notice in such cases as are here referred to, but that discretion is official in character, and not a purely personal and arbitrary power to be exercised without regard for the object of the law by which it is conferred.

(b) In designating papers in which notices of intention to make final proof under the Act of March 3, 1879 (20 Stat. 472; 43 U.S.C. 251) shall be published, the authorized officer shall designate only such reputable papers of general circulation nearest the land applied for, the rates of which do not exceed the rates established by State laws for the publication of legal notices.

§ 1824.2 Payment for republication of notice.

(a) The law imposes upon managers the duty of procuring the publication of proper final-proof notices, and charges the claimant with no obligation in that behalf, except that he shall bear and pay the cost of such publication.

(b) Neglect of the duty defined in paragraph (a) of this section, resulting in a requirement of republication, should not visit its penalty upon the claimant. In all such cases, therefore, the entire cost of such republication shall be borne by the Government. If an error is committed by the printer of the paper in which the notice appears, the manager may require such printer to correct his error by publishing the notice anew for the necessary length of time at his own expense, and for his refusal to do so may decline to designate his said paper as an agency of notice in cases thereafter arising.

§ 1824.3 Frequency of publication.

(a) In many cases it is necessary to designate a daily paper in which to publish the notices of intention to submit final proof required to be given by homestead and desert land entrymen as well as the notices of location of other claims.

§ 1825.1

(b) The expense of publishing such notices for the prescribed period in every issue of a daily paper is often prohibitive, and the object of publication of such notices can be accomplished by a less number of insertions. Therefore, in all cases where the law does not specifically otherwise direct, publication will be made as follows:

(1) Where publication is required for 30 days, if the authorized officer designates a daily paper, the notice should be published in the Wednesday issue for five consecutive weeks; if weekly, in five consecutive issues, and if semi-weekly, or triweekly, in any one of the weekly issues for five consecutive weeks.

(2) Where publication is required for 60 days, except in mining cases, if the authorized officer designates a daily paper the notice should be published in the Wednesday issues for nine consecutive issues; if weekly in nine consecutive issues; if semiweekly or triweekly in any one of the weekly issues for nine consecutive weeks.

(c) Publication of notice in mining cases must be made in accordance with § 3862.4-1 of this chapter.

Subpart 1825—Relinquishments

AUTHORITY: R.S. 2478; 43 U.S.C. 1201.

§ 1825.1 When relinquished land becomes subject to further appropriation.

(a) Upon the filing in the proper office of the relinquishment of a homestead claim, the land, if otherwise available, will at once become subject to further application or other appropriation in accordance with the applicable public land laws. A provision to this effect is contained in section 1 of the Act of May 14, 1880 (21 Stat. 140; 43 U.S.C. 202).

(b) Upon the filing of a relinquishment of an entry or claim (other than a homestead claim), or a lease, the land will not become subject to further application or other appropriation until the entry, claim or lease has been canceled pursuant to the relinquishment and the fact of the cancellation

43 CFR Ch. II (10–1–98 Edition)

has been noted on the tract books in the proper office.

[35 FR 9521, June 13, 1970]

§ 1825.2 Relinquishment of right-of-way.

The relinquishment of an approved right-of-way may be conditioned upon the approval of a subsequent application, filed as an amendment to the approved right-of-way, or as an independent application, but conflicting in whole or in part with the approved right-of-way. Such a relinquishment will not be accepted and noted on the proper office tract books until action on the subsequent application is taken.

Subpart 1826—Reinstatement of Canceled Entries

AUTHORITY: R.S. 2478; 43 U.S.C. 1201.

§ 1826.1 Application for reinstatement.

(a) An application for the reinstatement of a canceled entry, while pending, operates to reserve the land covered thereby from other disposition.

(b) Applications for reinstatement of canceled entries must be filed in the proper office and must be executed by the entryman, his heirs, legal representatives, assigns, or transferees, as the case may require. If made by other than the entryman, such petition for reinstatement must fully set forth the nature and extent of petitioner's interest in the land, how acquired, and the names and addresses of any other person or persons who have or claim an interest therein. All petitions for reinstatement should set forth all facts and state clearly and concisely upon, what grounds reinstatement is urged. Such petition must be signed by the applicant.

(c) Applications for reinstatement of canceled entries executed by agents and attorneys will not be recognized.

(d) Should an application for reinstatement be filed not conforming to the foregoing, the authorized officer will promptly advise the party thereof, calling his attention to the defects and allow 15 days in which to file a proper application.
